### **ILLNESS POLICY**

Unfortunately, from time to time some members may suffer from very serious illness. We want to support our members while sick or in recovery by suspending their membership, ready to be reinstated once recovered.

Whilst membership is suspended, any such members are invited to attend social functions at the club if able to do so.

Such member requests should be addressed to Hon. Sec. with request to suspend membership on basis of illness.

Members were informed of this policy as above at the GLTC AGM in November 2021. Policy is effective from 1 January 2022.
