GLENAGEARY LTC

INJURY POLICY

The committee requires a level of certainty on membership income. We do get requests from members for proportional rebates or refunds during periods of injury. However, refunding members for reasons of injury isn't viable for the club.

Any request for a waiver or reduction resulting from injury will not be granted by the committee. The only exception is if it is long-term or is severe in nature.

Members may apply to committee to convert their membership to an auxiliary membership for the remainder of the year or longer.

These cases will be reviewed on a case-by-case basis and as such request is no guarantee of conversion to auxiliary membership.

This policy was announced to members at the AGM November 2021 and is effective from 1 January 2022.
