MATERNITY POLICY

GLTC committee are keen to support our female members during pregnancy and the early months of motherhood and recognise the impact this has on the ability to play.

We will introduce a 6-month maternity membership. Female members will pay 50% fee the following fee year or will be applied pro-rata on family memberships.

There will be no restrictions on the new mother playing at any time during the period of this maternity membership. Any member wishing to avail of this should write to the Hon Sec requesting maternity membership.

This policy was announced to members at the AGM in November 2021 and is effective from 1 January 2022.
